Coaching Requirements:

For each football team there will be a head coach, and no more than three assistant coaches. A fourth coach can be added if a team is larger than 30 players. Coaches will only be coaching their team, and will not be allowed to assist or help other teams during any event or game. Every coach must complete a back ground check prior to the start of the regular football season. These back ground checks are not provided by the East Henderson Youth Eagles, but are conducted by The Board of Directors. The football Director will distribute the forms to the selected coaches during the final coaches meeting, to be held in late June.

Coaches Responsibilities:

Head Coach:

Responsible for getting with director and Vice President about team needs, showing up to practice and game times 15 minutes early, choosing coaches apparel, communicating with assistant coaches on your team, any changes discussed with director and VP first, assigning assistant coaches their responsibilities, and keeping any necessary information/paperwork on players.

Assistant Coaches:

Assistant Coaches are responsible for checking in with head coach on the plan for practice, games, and show up to practice and game times 15 minutes early.

Coach Certification:

Every Coach must submit a felony background check each season. They will be screened for charges related to child abuse, molestation, neglect, domestic violence, sex offenses and drugs. The potential volunteers will be held to the standards of the National Alliance of Youth Sports in determining their qualification status. The background check will be on file with the President of the Board of Directors and is kept confidential. If it is deemed that a coach is ineligible to participate, they will be asked to leave the premise immediately. Along with the background check, every coach must submit a current "head and shoulders" style picture and a copy of a valid driver's license or any other government issued ID card.

Concussion Awareness:

All coaches will take the concussion testing as required by the Western North Carolina Youth Football and Cheerleading Association. The East Henderson Eagle Youth Football and Cheerleading Association require all coaches to take and pass the online course. Certificates of completion for this course will be kept on file in the team book and turn into the Western North Carolina Youth Football and Cheerleading Association at the beginning of the season

Conduct:

All coaches no matter what position they hold are representatives of the East Henderson Youth Football and Cheerleading Association, and will be expected to conduct themselves in a manner that does not deface or tarnish the Association's image. All coaches are expected to treat each child the same and have no favoritism toward any individuals. Coaches will be on time for all practice's and events. They will help in any way requested by the Board of Directors and or the Head Coach of their team. Coaches are not to touch or grab any participant in a way that can be perceived as a threat or be degrading to the individuals'

self-esteem. (Such as grabbing a face mask inappropriately) If at any time a child is grabbed, dragged, jerked, or touched in any un-wanted way the President or Director of Football needs to be notified immediately. This will be handled on a case by case basis and will be brought to the Board of Directors immediately to decide the punishment of the coach in question. The Board of Directors has set a very high standard for our coaches and will hold them to that standard.

General Code of Conduct:

****For all Participants, Coaches, Board Members, and Parents / Guardians****

At all times during any team sponsored event the following guidelines must be adhered to: if any provision is violated the violator could face a suspension of participation, and or being banned from any and all team sponsored events.

- Participants and Parents / Guardians must take directions from all team representatives. Foul language will not be tolerated for any reason.
- Spectators, participants, parents / guardians, coaches, or volunteers, not currently engaged in a team activity or event are expected to be in the appointed spectator area, and children must be with their parents or guardians at all times. Only the current participating team members and coaches are allowed to be in the play area. This means during games no one other than staff, or currently playing team members may be on the field, track, or sidelines. Unless approved by the Football Director and the President of the Board of Directors.

- Any Board Member may take disciplinary action against participants, parents / guardians, coaches, or volunteers for any problem that they feel needs attention. A minimum of two board members must be present for immediate action, and the use of law enforcement may be used as well. Long term action may be determined by the board of Directors by a majority vote.
- Any participant or parent / guardian that is dismissed from an event, or asked to leave is expected to do so immediately. This implies that the person /persons asked to leave will not only leave the event, they will be required to leave to property in which the event is being held, to include all parking lots, sidewalks, and or adjoining properties. Being asked to leave does not ensure in any way that the affected person is banned from all events. This decision must be made by the board of directors by a majority vote.

Coach Removal:

Coaches can be removed from participation at any time if the Board of Directors sees fit, and the decision is made by a majority vote. Petition for removal may be brought to the Board of Directors by the teams' head coach, or any member of the Board of Directors. Although a vote must be taken for the removal of a coach, the coach may be suspended while the Board of Directors Investigates. The suspension may be initiated by the President, Vice President, or the Football Director. If a coach is suspended or removed he or she must return any and all of the team's equipment within 24 hours.
